### The Premises:

Well know and exceptionally pretty and engaging receptionist. Not for hire, worse luck

### The Lady:

Tall blond with what appeared to be a fit body, pretty face

### The Story:

Had seen one of the other 4 on offer previously and another chap had beaten me to the pick of the girls, Working on the principle of trying something new picked Chelsea.

There was a difficult to define edge to her, happy to accept might just have been me but reading other reports I suspect not. Not bad per se but just always failed to go that extra bit to make it in any way memorable.
