The Story:

There was a slight mix up with the meeting first of all, but I re-arranged and boy was it worth it. Chelsea has a pleasant personality and puts you at ease straight away. I won't go into chapter and verse about what we got up to but suffice to say Chelsea knows how to please a man. She does not clock watch and it was only by chance that we finished our meeting on time. I don't normally write reports or visit a girl more than once but I had to make an exception in Chelsea's case and will definitely visit her again.
