The Premises:

i have used little devils many times it is always clean tidy and safe, it has an entrance of the road but i do think that the neighbours are aware of what is happening.

The Lady:

sarah i about 5ft 6inches tall slim with a nice shaply body and a peachy arse, nice breasts and a total shaven pussy with no stubble which i like. sarah has a very pretty face and a nice smile longish blonde hair.

The Story:

i found sarah very plessent and easy to get on with, i paid for the half an hour full service and i did not feel rushed, sarah was happy to sit on my face while i licked her out i would def visit sarah again may be for longer next time
