The Story:

First report I hav ever put on PN but as I have been using the site for so long to check out agencies and reports figured it is only by sharing experiences that this site works. So here goes. Had a great time as Larissa was easy to get on with and relaxing and friendly. We had some wine then got down to things. She came looking very sexy but looked even better undressed. Trim pussy. Kissed well and seemed to enjoy. she played with herself, she enjoys 69 and will let you explore her intimately. After some excellent foreplay I had a great mish but then I took from behind for an energetic doggie, but I ended the session with a truly stupendous cim.

Nice pleasant chat afterwards, a good conversationalist and not at all rushed.
