The Story:

Could not get in to see Nina... so decided to visit Tayla. Not going into details, but will say that to begin with Tayla seemed quiet, but once the conversation got going, it didn't stop. I found out afterwards that she prefers to leave it to the client to show whether they want to talk or just enjoy the service. Needless to say, the 30 minutes flew by and I left very happy. An amazing lady that I will look forwards to seeing again in the future. My only problem now... deciding between Tayla and Nina!?!?! But there are bigger problems in life. Enjoy your holiday if I do not see you before babes...
