The Story:

Katie met me at the door with a warm friendly smile. I couldn't stop staring at how beautiful her eyes were. Her English was not great but she definitely knows how to please a man. Katie gave me a very sexy body to body massage that really turned me on. With that sexy slim but curvy body of hers I could not wait to fuck her. She did not disappoint when it came to sex. She was more than happy to please me but at the same time was really enjoying it herself. Katie did not make me feel rushed what so ever. I really enjoyed her company and will definitely return to see her.
