The Premises:

Safe enough - not sure I'd want to wander around there at night in a suit with my laptop over my shoulder. Inside the place was very clean.

The Lady:

Petite black girl Lovely smile, small breasts, slim.

The Story:

Good communication prior to the date being arranged. But she did commit a cardinal sin for me very early on ; she asked the 'do you have a wife' question, and then 'why do you guys do this, aren't you cheating?'. I'm prepared for this, but it's none of the lady's business and out of bounds for conversation as far as I'm concerned.

Anyway we start and she gives a very good bbbj. On with the condom and into a very tight pussy that got wetter and wetter (isn't that a lovely feeling?). I came, condom off with a bit more oral, and came quite strongly. This was a no kissing encounter and I didn;t give her oral.

I can;t recommend because of the clumsy conversation, but with a bit of refinement Layla could provide a really raunchy service - and she should use that smile more often ... maybe it was just too early in the morning ...
