The Premises:

Well known and long-established flat above shops. Tatty entrance down alleyway but no problems and never feel overlooked there. Flat inside is fine.

The Lady:

Becky is a blonde babe. Guessing mid to late 20s. Very fit body. Lovely (though enhanced) tits. Fabulous fully shaved cunt. Pretty face, cheeky smile in girl-next-door sort of way. One very naughty girl.

The Story:

A good time with Becky. Was in area and called on offchance and she was free. Usually go for Asian girls but Becky, though not my usual type, did not disappoint.

Friendly greeting and made clear she was up for anything. In a demure dress to start but stripped off straight away. Knickers quickly off revealing the loveliest cunt I've seen for ages. Becky said she loves cock and I can believe it. She sucked mine perfectly, very deep. After a good cocksuck session she asked me to kiss her down below, something she obviously loves. She tasted delicious and I gave her sweet pussy the attention it fully deserved.

I then took her cunt, different positions, which was good but after I while I wanted more sucking. A was on offer (presumably for another few ?). Ended up cumming buckets. Good time with a horny, dirty but sweet girl.
