The Premises:

The location is a grim, brown building outside Elephant & Castle tube station. It is clean and comfortable inside.

The Lady:

Gina is a petite Thai girl, in her 30's, with large DD enhanced breasts.

The Story:

I was let into the flat by a Chinese man which was a bit off putting, but I was quickly introduced to two girls. I chose Gina because of the boobs, but once we were alone I realised they were fakes. A bit of a Thai bodge job too.

The massage was excellent which really unloosened my knots and eased the tension of the week. This was followed by protective sex with her on top, then doggy and finally a hand job finale. Gina is friendly and very experienced.

I may visit this place again and see another girl.
