The Premises:

This is a safe place, with easy parking. Very clean, well kept & I feel will improve even more once it becomes well established. Rooms are great, shower etc, video if you want etc, etc - I have been in some good places & this is, or will be one of the best once fully established - so visit them & watch this grow to be something very special indeed - word of advice, get a web site & do it ASAP

The Lady:

Lucy: Mid 20's size 10/12 - 36c/d dressed to thrill & she did, this is one lady blonde sex bomb!

Lacy: Dark skinned size 8, tits to die for - sweetest pussy you can normally only dream of.

The Story:

I am a "seasoned" punter who has been at this for a very long time. STATEMENT " Best punt I have ever had, these 2 babes (because they are babes for sure) in the truest way, gave so much pleasure I exploded! - guys these two are fantastic - both could DFK for England - Lucy will do OWO, Lacy only does OW - together they will take you to heights most of us can only dream of - they have a total of 11 weeks working experience between them - god only knows how they learned their trade, must be very lucky boyfriends they have.

69/girl on girl I could go on & on - get down there & have an experience that will live in your dreams for ever - never had anything approaching so much fun in over 250 girls - Manchester/ Lutterworth/ Stoke/Leicester/etc - take note, this is now the bench mark - tell you guys these two are the very best I have ever had the pleasure of - I refuse to say what fully happened, no one would ever believe it - YES they are that good!!!! & hey - get that web site up, you need it
