The Premises:

Nice place in central Morecambe, i was led into the dungeon by her receptionist

The Lady:

Marnie is a mature Mistress, who looks stunning and has the dirtiest look in her eyes of any Mistress i have had the pleasure of serving

The Story:

The session started with Marnie ordering me to strip, and then offering me a drink to put me at ease. i gladly accepted, and she duly pissed into a glass and ordered me to drink her warm nectar, while we chatted she asked me about my fantasies and then offered to make them come true that afternoon. i accepted and was then put into bondage before being taken with her strapon. i was then humiliated further by the receptionist coming back in, and telling me what a small cock i had, they laughed at me before locking me into a cupboard. about 20 mins later i could here another man in the dungeon, then the door opened and i was dragged out, my cloths had been locked into a chest, and Marnie then told me the only way to earn them back was to perform oral on her other slave. after hesitating, Marnie then bound me to a chair, and put a spider gag on me, the other slave was then instructed to do my mouth until he came. after swallowing, he then sucked me off to completion, we then had a showed together and left. A truly dirty Mistress and will definately be returning
