The Premises:

Typical house where this sort of thing goes on. A little bit run down but clean and tidy, perfectly fine... I didn't come for the feng shui

The Lady:

Debs and Stacey are mature ladies and very sexy with it. Stacey is very slim and tanned, Debs has a fuller figure. I knew I was in for a good time as soon as I walked in and saw them having a snack in the kitchen (they'd just finished a 2 girl appointment). It's all in the eyes!

The Story:

I'll start with the end.... I left the place walking on air. Some girls I've seen look fantastic, young and slim etc. but simply don't understand what they're supposed to be doing. These girls know exactly what to do!

So here's the mechanics: Debs came in first and we started with a bit of a snog, then Stacey came into the room and joined in. A bit of 2 girl oral:-) then Stacey popped on the condom and climbed on top. We did a few positions then changed condoms and I ended up finishing off with Debs in doggie, Stacy's arse pointing up at me right beside Debs'. All brilliant.
