### The Story:

i was instantly attracted to debbie with her lovely smile and freindly manner debbie took me to a room ware she asked me which service i would like and offered me a drink and a shower . i handed over the money opting for a gfe debbie disapeared while i took a shower but was soon back unlike some i ve known .i asked debbie to allow me to undress her which she did and i was very satisfied with what i seen a wonderfull body with amazing breasts debbie had a sexy but dirty smile about her while i was doin this and already i was hard at the thought of bwhat i wanted to do to her.debbie began massarging me in a relaxing but also sexual way giving my more sensitive parts the attention they needed her gentle touch was getting me going and then she began caressing her breasts allowing me to take over so she then played with herself seeming to enjoy it . she perfomed oral without allowin me to return the favour she taisted lovely and certainly knew what she was doin i was ready to be inside her and unlike others even put the condom on in a sexual way with her mouth i had to perform before i exploded and my god i certainly did not long after entering her very tight shaven pussy clearly this girl loves her job or is a very very good acctress if only she would allow me to take her home unfortunaly not though so i will be returning over and over again to pay to see debbie
