The Story:

WOW!!!! What a great party. I can definitely see why it always seem to be so busy. All the girls were HOTTT and definitely wanted to play in any way that they could. I only got to have sex with 5 girls out of the 7 available only because the damn tubes were running slow that day. Next time I will definitely get their early to enjoy the full 2 hours or I might just stay for 2 parties lol. Who knows what the future says.
