### The Story:

Went for a slightly longer appointment as I have visited Penny before and know just how good she is in the room, Started off with good strong massage and then progressed to oral, then some outstanding deep throat before the obligatory kneeling at edge of bed to receive the facial!

Had all sorts of plans for round 2 but she emptied the cookie jar so well on the first go there was nothing left.

Fantastic time with a gorgeous lady!

On a financial note, I did tip ?15 in case you tightwads think it was very expensive for a BJ! It worth every penny! Pardon the pun!
