The Premises:

Roxy's flat is in an old building right on Knightsbridge high street, you might want to book later in the day if you're at all self-conscious. Being on the fourth floor it's a bit of a hike but nothing too strenuous. The flat is in good condition and clean, with a decent bathroom for showering.

The Lady:

In the flesh, Roxxy is really rather wonderful. A classic tall blonde with a voluptuous figure. She gives off an aura of Brigitte Nielsen somewhat, though far foxier. Her Russian accent is also a big turn on.

The Story:

I've wanted to see Roxxy for a while now but she's often been traveling abroad. I was keen for some roleplay, which she happily dressed up for and performed brilliantly. She was very observant too and managed to get me going in double quick time. Even with a 2 hour booking the time flew and she didn't clock watch either. Lovely lady and I'll definitely be back.
