The Premises:

Small house in quiet cul-de-sac. Previously Lisa had been working out of Southgate, but recently moved back to Dagenham

The Lady:

Tall, slim, beautiful black woman in her mid-twenties. Very chatty. I like a chitchat before and after, but this girl is out my league. She could converse for England, but intelligent and interesting with it.

The Story:

Started with brief massage and then things moved on quickly. Lots of foreplay, reverse oral, breast-work etc. Lisa kisses beautifully too. She then did OWO which was superb and gentle, just as I like it.

Straight sex in doggy and then tried anal but not quite hard enough. Finished by hand over her. Cleaned up and chatted some more.

Overran by a long way, only breaking when her phone went off.

Really enjoyed my time with Lisa. She is definitely a keeper, and I do not hesitate to commend her to the house.
