The Story:

Drew is one of Annabellas hidden secrets. There are no punternet postings for Drew yet she has been delightful for quite a while. I arrived early and as 1st punter of the day was ushered in immediately, thus my 30 mins became 40. At this location there is no dressing up box, so I chose to admire her as nature intended. We agreed that she would entertain me as a submissive, and a better and more enduring sub I have yet to meet. Almost coquettish in her role play, she delighted and teased and kissed sublimely. With her bottom suitably reddened, her oral technique was superb culminating in an orgasmic CIM. This girl has everything, charm, technique, beauty and a sense of caring for her client. She is such good value and gives so much of herself, she could become compulsive. No she was not perfect, and the taste of cigarette in her kisses still makes me shudder, but this is one of my most memorable punts ever! Now Drew you have a write up, hope to see you again soon xx Henry xx
