The Premises:

Well presented clean house in estate in one of the many upmarket bits of Solihull

The Lady:

Gorgeous. Tall, slim, clean, long hair, well presented, sexy, I could go on for ever.

The Story:

Met me at the door and welcomed me in. Followed her up the stairs and could see from there that it was going to be excellent. Sorted out the paperwork and then sat on the bed. Kate lent towards me and kissed me and that was it, we were off. Clothes flying everywhere and frantic action from us both. From what I remember of the blur of pleasure she gave excellent oral without and swallowed my first load whole. After a brief rest we got onto round two and tried several positions finishing up with her on her back with her gorgeous long legs wrapped round me.

A fantasic hour. Think I might go back and see her with Hannah, but will need stronger heart pills before I do.
