The Story:

Sophie is definitely a well educated girl. She looked immaculate and very well groomed. I gave her an envelope with the cash as requested. She started of by teasing me, which got me in the mood. Sophie is a good kisser and not afraid to fk. Sex with Sophie was fun, she has very nice body and smells lovely. I found Sophie very intriguing and interesting to talk to. I will try and visit her again, although not sure when, as it is slightly out of my price range.
