The Premises:

Nice place with a friendly receptionist.

The Lady:

Astrid is a nice looking lady, with more a girl next door quality than the glamour look the website suggests. I'd say she was a bit older than the 25 years old advertised, but that's just the usual parlour fluff - take 20% odd percent off the real age.

The Story:

I read good things about Astrid and she pretty much delivered. Her owo skills are up there with some of the best, with the highlight being Astrid asking me to sit astride her chest and fuck her mouth.

We had sex in a couple of positions before I knew I couldn't hold out much longer and shot a load over her tits.

There was some kissing which was nice, but it wasn't the DFK I thought was coming my way. However it was a really good punt with a girl that knows her business and seems pretty much up for almost anything.
