The Premises:

Really lovely place. Spotlessly clean, accommodating and welcoming. Very nice area. No difficulties finding it, thanks to Alex's accurate and helpful directions.

The Lady:

Oh, wow...she's really lovely. Quite gorgeous, really. A very natural and genuine young lady. She makes every effort to put you at ease is really nice to chat to etc. Alex is a person of real warmth by nature - not just "in the business for the money" type of person, but someone who shows her appreciation for those whom she arrange to meet. She's a talented and very, very sexy girl. Alex keeps herself really fit with lots of trips to the gym and she enjoys horse riding. As such, she has a seriously fit figure; petite and perfectly-formed. I can't imagine any man not being aroused in her presence - unless he's gay!

The Story:

There's no way I'm going into detail about what Alex and I enjoyed together. That's between us as two consenting adults. We had a brief exchange through email, before we met. We established a mutually happy set of terms on which to meet and we explored those things to the full. Alex puts a lot of energy, emotionally and physically into helping to create a really enjoyable set of circumstances and I honestly couldn't have asked for more or expected better. She's a woman of considerable depth of character and deserves to be treated with respect. Boundless energy; very sexy approach; very bubbly personality; lovely girl. 11 out of 10!. Would I see her again? You're damn right! Will be doing so, too!
