The Premises:

Good parlour, clean and safe, in a decent area and easy to find. Not too far from Blackpool Tower at that end of the golden mile. ?20 door fee for 30mins.

The Lady:

Pretty, petite, friendly, cute face, nice smile, soft brown skin and nice arse. Average size boobs, fully shaved gash and overall very nice, a little bundle of fun.

The Story:

Was on a stag weekend in Blackpool and managed to disappear for 30mins to take some time out to myself. Started with a shower then onto a very good massage and body to body massage which hit most of the appropriate areas. Opted for a handjob as I had limited energy for anything else. Bee got up into 69 and started HR, at which point I had a lap at her holes which she seemed to like and encourage, also she was happy for me to play with her starfish and didnt object to a finger up there.

Shot my load, cleaned up, another shower, and nice chat before I left to resume the drunken debauchery with a kiss and a hug.

Excellent time had with a charming hostess, would definately return if in area.

Thoroughly recommended.
