The Story:

I have been to Indian Palace on a few occasions, My favourites are Amani and Jada (two knockout indian beauties). I thought I would try someone different for a change. I have had my eye on Ria for a while, so I decided to give her a visit. As usual I was let in by a very friendly blonde male maid, he seems nice enough and I did not feel awkward. He told me to take a seat and asked if I would like a drink, I requested an orange juice. I have to say, Indian Palace has to be one of the cleanest establishments I have ever visited. I waited a few minutes before Ria turned up. I was not disappointed. She is a very nice looking Indian girl, who clearly takes pride in her appearance. I gave her some cash, and she asked if I wanted to use the bathroom. I don't always take a shower, however as the bathroom was very inviting, I decided to take a quick one. Once I'd showered I returned to the room and waited for Ria to invite me to her bed. She is a very sexy girl, with a warm personality. She started massaging my back seductively and at this point I was already very hard. I turned round and slowly started to remove her bra to unveil her beautiful bosom. I gently started sucking and biting them, whilst playing with her clit (which I have to say was very wet). I could see this was really turning her on. I just couldn't wait any longer to give to her. I started with me on top, penetrating her, I then asked if she would ride me, so that I could see her beautiful face. We finished with me taking her from behind. Ria is a wonderful sexual partner, and I was very pleased that I went in to visit her. I now have a new indian beauty to add to my favourites list. I will definitely return to see Ria, I highly recommend her.
