The Premises:

Nice house in Newport. Decorated to high standard, clean, tidy and large double bedroom. Been to a few flats in Newport and they can be hit or miss, sometimes run down, however must say, this house is one of the best places I've visited. Easy to park and a few minutes from motorway.

The Lady:

Lexi - BBW girl, curvy about size 14- 16 , very pretty face. Blonde hair, tanned & huge tits DD or EE cup!

Nicole was the complete opposite. Slim brunette, 8 or 10, small tits, nice arse and also very attractive.

The Story:

Found the details in a local newspaper. In a rush between meetings and wanted a bit of quick relieve.

Was welcomed into the house by a receptionist who made me a cuppa while the ladies introduced themselves. Both ladies were dressed in sexy lingerie & black fishnet stockings and I couldn't choose who I wanted to see, so went for the two girl special offer.

Both ladies were extremely friendly. They stripped off down to their undies and started giving me a tit massage with oils, got me very horny!

They then asked me to choose which one sucks and which one fucks. On with the condom and Lexi gave some great head. I then bent Nicole over the bed and fucked her from behind in doggy. Lexi laid back and started fingering herself. What a view!

With my cock up Nicole and watching Lexi finger herself, it was just too much to handle and I didn't take long to blow.

Overall a very enjoyable time with two sexy ladies.
