Inside is very nicely furnished with double beds in all the rooms.

The Lady:

same as pics on web site, very slim like a super model, i was still amazed how slim she was but still have a lovely rounded ass. Very very pretty with long black hair, her body was smooth as is her love pot.

The Story:

ask for anita on phone as i haven't had a black girl for a long time, came in & gave me a big hug and started to give me kisses but only pecks not french. Laid on bed while she gave me covered oral as she doesn't do owo, turned her over for a 69. What a sight & she smelt so sweet and tasted even sweeter. Then she rode me backwards a sight to behold her lovely ass going up & down with her pussy wrap around my cock, i almost came! But manage to stop her & laid her on the bed to have her in mish, started to kiss her & she responded by kissing me passionately. Afterwards she gave me a gentle massage while we chatted away, even told me she's half japanese..... Explains why she's so slim! She even forgot my time was up as i only paid for 30min.
