The Premises:

A discreet basement flat just a few minutes walk from Paddington Station, clean, nicely furnished and comfortable.

The Lady:

Bonnie is a cute and curvaceous Thai girl with a figure reminiscent of Marilyn Monroe - all natural as far as I could tell and much sexier than those stick-thin , surgically enhanced supermodel types. She has the sort of sweet smile and infectious giggle that make you want to ring in sick and spend the day with her !

The Story:

A real peach !Despite the innocent appearance nothing seemed off limits .Started with a superb deep blow job on the sofa which brought me to the verge within minutes, before moving to the bed where I returned the favour and ended with the most delicious oily hand job that brought me to a juddering climax, to her obvious pleasure and amusement.
