The Premises:

Hotel on Westminster Bridge. The lobby was busy with tourists so no one noticed me. Her room was large with a big, comfy bed and an excellent bathroom (more on that later).

The Lady:

Pretty. Short, good curves, lovely long dark hair. Web photos are accurate.

The Story:

I was slightly late through being unable to find the hotel but Amy was understanding about it. We chatted for a bit, then snogged, then chatted some more to ease ourselves into the date. Amy is a skilled and sensual lover and very responsive to the touch. We dabbled with a strap on and watersports (on me), which we'd discussed beforehand.

There was no rush at the end.

All in all, a thoroughly enjoyable session with someone I'd love to see again when she's next down in London.
