The Premises:

Modern delux apartment in city centre, close to ICC with nearby parking. Safe coded entry and the place is clean, atmospheric (candles everywhere) with a well-equipped bathroom to "freshen up" in beforehand - always an impressive touch.

The Lady:

Tall, blonde, young & tanned. Slim well-proportioned figure. Lovely eyes, fabulous mouth. Welcoming smile. If you have an image of a fantasy blonde in your head - here's the real thing. Oh, and classy.

The Story:

I thought about not writing this, as sometimes I don't like to share. This was everything I've wanted but haven't found in a long time, a classy, sexy real GF experience - passionate, authentic, even caring. Where so many working girls today are just out to take your money and run, this lady restores your faith in the business. Quite incredible, really. She ought to be charging a lot more than she is. Highly recommended. I won't be going anywhere else.
