The Premises:

The flat is a council block just round the corner from Westferry DLR station. It is safe, however, albeit that the smells of curry are wafting by as you climb the steps.

The Lady:

Melody is a university student from Singapore, quite tall, dress size 10-12 with full, firm B to C cup breasts.

The Story:

Another satisfying visit to this efficiently run place. After you make the booking you receive follow up text messages which helps.

The massage wasn't the best, but it was relaxing and there were sufficient credit card swipes to keep me aroused. Melody has a husky voice, but her English is good and it was interesting to talk to her. When I turned over, Melody had stripped to her bra and pants and she commenced the HR. I asked if I could see her breasts and she asked me to take her bra off. That was so good and she is quite busty too and firm. The HR was very satisfying and I got dressed and left with a smile on my face. The flat does have shower facilities.
