The Story:

First I met Venus in Tower Hill area, but now she moved to Bayswater area

Venus is very friendly young girl who has lovely personality and attitude. Venus has beautiful face and beautiful smile and very nice slim petite body and nice bum and has very beautiful eyes and she looks into your eyes in very close with passion and that makes your heart split open. i have seen Venus number of times and spend many hours of sweet time with her. Venus is absolutely fabulous girl and we had a wonderful passionate sexy fun time together and Venus is very sexy girl who has very high sex drive and she willingly love to take part of the fun.

We had lots of passionate French Kissing and close hugs and cuddles and lots of passionate eye contact, OWO, CIM, Reverse Oral, Reverse Rimming, 69, massage, reverse massage, water sport and more and more passionate sexual fun and I have enjoyed her from top to bottom of her beautiful body by all means and Sex in different positions and chatting and lots of orgasms etc etc. all in all everything seems so passionate and close and so nice and you forget that you pay for this. Very rare to find a girl like Venus who is naturally passionate and friendly with wonderful personality. She has a very beautiful flower tattooed in her right side of her tummy and her tongue stud is very sexy and kissing was so nice.

The photos in the web site are of hers and straightaway you can see that beautiful eyes if you want more details, then email me or ask the members on the message board.

it is a very rare treat to find a genuine girl like Venus in that web site. This girl you must see. Venus is very rare to find gem of a girl. I highly recommend Venus for fabulous and wonderful and passionate and lovely time of your life. I will be back soon to have more sexy fun with this beautiful

angel.
