The Story:

It was a sad Saturday afternoon, I was planning to watch air show but it has been raining all day and all show has been canceled. around 13:00 pm I decided to go to Eastern Rose, and as someone said, there were 3 girls for various tastes. In my case, Ling from China/Korea was my cup of tea.

?25 for an half an hour massage, I paid another ?10 for with hand relief .

After having been shown to the small but clean room and started undressing, a rather plain but sexy friendly lady greeted me and told me to totally undress. Good start. She casually draped a towel over me as I lay there and proceeded giving me a very good, if rather strong massage. When it came to my legs, off went the towel and up went her hands inside my thighs gently brushing my genitals. Still the massage kept going strong and professional. Then she turned me on my back and proceeded with the front of my legs, not bothering with the towel any more, up my thighs, again brushing my manhood until she popped the question: woul I like to have some extra relief? Whispering that she could also remove her top, she hinted to keep the deal quite and I suggested ? 10.00 for her efforts, but declined any extra for "top removal". She finished the massage with the usual neck, shoulders and stretching. The happy ending was indeed a very happy one, she knew what she was doing and I left with a smile on my face. I think there are another two girls who work there: I will report further when I will experience them. Fully recommended!

That is it. It was my first time to come to this kind of massage place in Bournemouth. It was not the best punt, but I enjoyed enough and looking forward to visiting it again.
