### The Premises:

Chloe tours coventry once a week. I saw her in a chain hotel with the usual facilities. It is a bugger to find if you dont know it so research where it is carefully.

### The Lady:

Pix on her webby are accurate. She met me at the door in tight skirt and white blouse.

### The Story:

This is the 4th time I had met chloe, so we know each other well. Chloe met me at the door and we started to kiss. Stated standing kissing while we stated to explore each other. Very nice putting my hand up her skirt and finding no knicks!

we eventually got our kit off and retired to the bed. Nice foreplay, with fingers and tongues, culminating in a nice 69, and then cowgirl.

As always with Chloe, a marvellous time!

Quick sluice in the shower then back to work and try to stay awake!!!

See you soo chuck!
