The Premises:

This was my first (& last) visit to the 'Bunny Palace'. Easy to find but parking was a problem. Next to a busy car wash, I felt everyone knew why I was there. The front door was unlocked so I rang the bell to announce my arrival. I was on CCTV as I ascended the stairway and I was met by Lexi. Place appears to be clean & tidy.

The Lady:

1) Lexi: a black girl, about 34 yrs old with small (probably fake) breasts. She scores a 6/10.

2) Amy: Oh dear! She is a complete horror. See earlier reports on Amy. She scores 1/10.

The Story:

This place is a rip off. The web site is updated daily and for the 11th August it offered a two girl special for ?90. The girls advertised were Lexi & Holly.

I was greeted by Lexi. I explained that I wanted the two girl special and gave her ?90. She pushed the price up to ?120 and said she knew nothing about a ?90 offer. I got undressed and waited for Holly to join us only to find it was Amy. Holly wasn't working! Lexi didn't get undressed (not even topless). Amy didn't offer OWO nor did Lexi. I wasn't allowed to touch Amy's tits because they were sensitive. Lexi refused to get undressed.

The phone rang about 5 minutes into proceedings so Lexi answered it and I never saw her again. Clearly there was no maid.

If I pay ?120 for two girls I expect both girls to get undressed. The sooner this place closes, the better.
