The Premises:

Nice place that's been used as a parlour for quite a while.

The Lady:

If I'm being completely honest I'd have to say the pics on the website are a little out of date. Lea is slightly bigger than the pics suggest. However, I was attracted to her enough to part with 60 punting tokens.

The Story:

I wanted to see Lea on the strength of her previous FR. I was expecting great things, but in all honesty the punt was pretty average.

We started off with a firm message which went on for about 10 minutes. There wasn't much sexy about it and it was probably 8 minutes too long.

Eventually I turned over and Lea kissed her way up my body, but missed my mouth. Shame. This was followed by some owo. This was ok but pretty short as we moved into a 69 but Lea took the opportunity to slip a condom on me.

I haven't had much 'how's your father' for a while so knew I had to be careful as to not incur an early bath. As the owo was over I asked Lea for a spot of reverse 6. We spent some time doing this which was very nice.

It was then time for the sex, which started off in mish before we moved to doggie.

As I've said it was an average punt, so for me I wouldn't return to see Lea. Not enough owo and the lack of kissing doesn't do it for me.
