The Premises:

Nice looking house not too far from MK shopping centre. The place was clean and smelt nice.

The Lady:

A very attractive 21 year old English brunette about 5'7 in height, dress size 10 with beautiful smooth skin and a lovely Surrey accent(well-spoken).

The Story:

I'd first noticed Kitty a month or so back when she joined HoD in London. Intrigued by her amazing pictures, and the outstanding FRs from various people, I had decided that I had to meet her. Me being me I'd not done anything about it until I read that she was going away for a while and that this week would be the last chance to catch her, so I promptly booked 2 hours.

The first thing that struck me about her when she entered the room was that she is so very attractive. The second thing I noticed very soon after is that she does love to kiss, which was great for me as I do too.

I don't like going into too much detail, but both the pics and description of her on the MKE website are accurate. She comes across as being very friendly and bright. She also lets you know if you're doing something right, and gave me a little tip after I asked her what I could do to improve something.

All in all, an amazing young lady. The 2 hours just flew by and I won't hesitate to return.
