The Premises:

The place was very discreet and easy to get to with ample free parking in a nearby pub. The house was very clean and tidy and very stylish with ample facilities for everything you would need to do.

The Lady:

Gina is a beautiful curvy lady with sexy blue eyes and long dark hair in a ponytail. She has very nice body and is well proportioned. She is about 5' 4" tall and has beautiful voice.

The Story:

Upon arrival i was greeted like I'd been away for years with the best kisses you can imagine. Then after business was settled we went upstairs and had an amazing time. She is very versatile and gives amazing oral. When she says that she provides GFE she means it; it truly was spectacular.
