The Story:

This was a really playful punt. We started off with an oily massage, Layla payed particular attention to my ass and balls, she rubbed her tits up and down my back while gently kissing along the crack of my ass. She began teasing open my but cheeks so I responded lifted onto my knees whilst she slid underneath me on her back and gave my balls a good hard sucking. I began to wank myself because I could see her in the mirror masturbating. I could tell she was close to climax she sucked on my balls harder and jerked with the pleasure, this was such a turn on! Unexpectedly, I just exploded and burst open my load... I was relieved to know I was in for another round. After a few sips of water and a wipe down we relaxed on the bed and talked about the usual this and that. We had a rest lay there naked and chatted for about ten minutes. Layla started playing with my nipples and I felt a tingling again. She rubbed my cock until it was nice and hard. I sucked on her huge tits and gave her a juicy pussy licking she loved it and kept pressing my head down harder while she lifted her hips so I could fuck her with my fingers. After a bit of erratic fumbling with the condom wrapper I positioned myself between her legs, split her open pushed my swollen cock into her slippery warm pussy and banged her hard. We tried a bit of doggy, cowgirl, reverse cowgirl, more mish.. Layla just loves being fucked. Real fuckable woman. Loved it and I'll back to fuck her again. Thanks
