The Lady:

Sofia was described as small and petite, she was exactly that and the prettiest little thing ive seen in ages.

The Story:

Full service with Sofia was covered oral and sex on top after a lovely relaxing massage. She may be small but she goes like bomb once she gets started. Chatty and friendly and overall a good service. I'm easy to please but like a girl to go that one step further, making me feel at ease and a little special...well for 30mins anyway. Thank you Sofia
