### The Story:

I have seen Bianca before when she worked for Madame Beckys,she remembered me and stood french kissing for ages,exchanged paperwork and retired to the bed,we caught up on where she had been and she enquired what i would like to start with, OWO is on her profile so asked for that,what a sight beautifull blonde sucking me off and i got to see it all in the large mirror. now what would you like she enquired well i wanted to return the favour so went down on her and remembered she does not object to a well lubed finger up the bum. did missionary ,doggy face down on the bed,which had me exploding inside her,after short break did reverse cowgirl which was amazing.can not recommend Bianca highly enough,only negative got the customary knock on the door when time was up,freshened up helped tidy room and got dressed only to be met by receptionist snapping did you pay for an hour as that is how long you were in room,when you think of the ammount of times you go under time you would think they would be more understanding,but this had nothing to do with Bianca who was great
