Voluptuous, massive tits, great ass, and just the type of Indian girl I like.

The Story:

I first saw Shilpa's ad on another web-site 18 months ago, and have been die-ing to see her, but time, her being out of the country, etc etc meant I couldn't until now. I booked for an hour.

Anyway, she's just as her photos show. Amazing big tits, very curvy, big hips, and lovely huggable body. She's quite cheeky too, and has a bit of a laugh. We chilled, hugged, sucked on tits etc etc for 30 mins, and it was really enjoyable. And then, proceeded with the deed. I couldn't hold myself, and came rather quickly. Then she went off to clean herself in the shower, and I waited. I'd paid for an hour, and expected her to at least just lie down with me, even if for a chat, but nope, she had decided it was time to me to leave, and she quickly got dressed, and her body language made it clear that the one hour was up after just 35 mins. Maybe I should have been more assertive and demanded the full time, but I didn't want to spoil the mood, and got dressed, and made my way out. Shame really, as she is fantastic in all other regards.

So, on this basis, I will not be seeing her again, but I would thoroughly recommend her, but I would suggest guys book her for 30 mins, or if booking for the full hour, ensure that you don't come till 59 minutes into the punt!

Enjoy!
