Chloe Kisses, the original flame haired temptress, maneater and red headed nymphomaniac. Pretty, leggy, curvy, 30 something, great tits and the peachiest of bums.

The Story:

Went to break the record for the longest snog ever and after coming up for air went down below to taste her fully shaven haven. I could lick Chloe for ever and nearly did! Chloe then performed her unique owo on me bringing me to the brink many times before expertly easing off a fraction. Some face sitting and a prolonged bout of 69 before I could hold back no longer and emptied my load in her mouth. An excellent session with a true star of the punting universe. A long chat afterwards on all matters punting before departing satisfied. Will return soon!
