### The Premises:

As described ground floor flat off the carpark. Clean, spotless as always. Clean towels. Despite being packed holiday shoppers managed to get a purple space right outside. Cost only 30p per hour.

### The Lady:

Very pretty Blonde Russian girl. About 23, 5 ft 6, Blue eyes, size 10, 36C chest. Reminded me abit of the actresses Kate Hudson or Katee Sackoff

### The Story:

Welcomed in a shown the room. Offered a drink and asked for just a drink of water.

Bianca arrived with the water, said our hello as sorted the paper work.

Wasnt long before we were DFKing and moving to the bed before progressing to giving her RO.

Back to DFK, lots of DFKing, even licking down each others bodies which was a sublime feeling!

Suddenly noticed that the clock said 11:40! So a quick progress to owo which was fantastic. So good

I asked about CIM and replied that she doesnt. Good thing too as Id have to have passed as with

less than 15 minutes left I would have had time for both CIM and sex.

Quickly moved onto sex in cowgirl, still with loads of DFK, before moving onto missionary.

Relaxed for the final 2 minutes in each others arms.

Went over time by a few minutes what with all the cleanup and getting dressed again and saying our goodbyes. Oops! Sorry who ever booked at 12.

Bianca really loves to DFK and really knows how to use her tongue. (Im glad I cleaned my ears), maybe too much as after the kissing we had less than 15 minutes left for everything else and over 36 hours later my tongue still aches! Not that Im complaining!
