The Premises:

Convenient and safe location. Dark and depressing basement flat.

The Lady:

Attractive lady with athletic build.

The Story:

Seemed sweet when I entered her place, but once the gift was handed over, it all changed. She insisted I take a shower in a very bossy way.

The bathroom was dirty and when I dried myself with her towel, it stunk of an awful odor. Her attitude and baby wipes were a complete turnoff. Finished the session as quickly as I could and left without saying good by or leaving a tip.
