The Premises:

Clean flat, smelt nice, but the area (Adamsdown) wasn't the best late at night.

The Lady:

Quite pretty slim brunette lady.

The Story:

Well, she's a nice enough lady, and she did perform adequately - but, it just didn't live up to the promise of a raunchy horny time suggested on her profile.

She seemed either bored or tired, and it was just another of those overly mechanical punts. OWO was performed perfunctorily, and stopping every 15 secs to use another baby wipe. It lasted about 2 minutes in total.

She did go on top, and she was tight and warm in all the right places, but after swapping positions to missionary, she just lay there head turned away until the deed was finished.

She gets the job done, but it wasn't amazing - but, not so bad that I wouldn't recommend her to others, just in case she had an off day.

If she had a special offer on for a quickie or something, I might try her again in the daytime when she's fresh and rested and see if she's any better but at ?50 for 30 mins, I'd probably just go to Newport....
