The Premises:

A nice area not far from the town centre. Was able to park on drive, felt very safe. Very clean and tidy.

The Lady:

Kirsty is age about 40, very fit firm body, very nice tits and firm bottom. She is blond slim and nice looking about 5ft 6in in her heels.

The Story:

She first gave me a massage that was nice, we then moved on to kissing with me playing with her tits and fanny. She liked playing with my cock and balls. She then gave me plenty of oral with a rubber on, said it was extra for without, I spent a lot of time licking her sweet fanny she liked it when I fucked her with my tongue. She inserted a dildo into her fanny and gave me a demo We then had sex in doggy, a very nice arse, cowgirl then mish. This lady knows how to shag and I shall return.
