The Premises:

The usual La Maison...clean well attended without the usual overkill of other places that superstars frequent.....laid back with no fuss or pressure....

felt safe but saw the message that the place across the road have started to clamp people using their car park.....

having said that that they do have a car park available

safe area where no body bothers what you are about

The Lady:

Alexandra is simply stunning....I was attracted by her pictures on the web page.....basques & stocking just do it for me.....she wasn't wearing any thing like that...just a very see through top & some very skimpy pants that left nothing to the imagination...simply stunning...a flash of the smile....her brunette looks - white teeth....stiff nipples clearly there & showing.....wel who could resist this.

The Story:

Alexandra I am no going into to much detail here...because we pleased each other...in the most gratifying way ever....she was slightly injured (a bump to her kneequite badly bruised.but true Northumberland spirit - she got on with it.

Alexandra your we pictures on the La Maison site did ot for me...you simply have to have the Basque next time & I am yours...as I was tonight

Thank you sincerely
