The Story:

Hannah greeted me perfectly, told me what she liked and I reciprocated. It was only a short visit but the next will be much longer. She is a lovely lady, very willing to please and great company. She is bright and intelligent and has an excellent taste in life's finer things. She is the first escort I have ever met who instantly knew what aftershave I was wearing. Thoroughly enjoyed my time with a very sexy lady with a great personality. Highly recommended.
