**Type of Visit:** Incall

**Date and Time of Visit:** Fri 3 Sep 2010 14:00

**Duration of Visit:** 1Hr

**Amount Paid:** 125

**Recommended:** Yes

### Details of Service Provider:

**Profile Name:** Soft Touch Bodyworks

**Website:** <http://www.soft-touch.co.uk>

**Phone:** 01604752390

### The Premises:

The place is clean and tidy(ish) you have to go through the common room to the spiral staircase to the exec suite and the ladies can be more untidy then us men at times.

Facilities are very good and to a high standard

Very safe location with loads of parking at the Parlour or nearby.

### The Lady:

Heather - Really petite bundle, with platinum blonde hair that is tied up, less than 5 foot high but in perfect proportion. Small breasts but firm and tight body, trimmed and tasty thought I would have liked to taste more.

Lorraine - Brunette not that that much taller than Heather but does have smaller breasts than Heather though again in great proportion to the rest of her. shaved with larger inner lips that feel like there kissing you when your performing oral.

Extras are ?25 per lady for 1 additional service

?50 per lady for 3 additional services

?65 per lady for full GFE

1 service = Oral, reverse oral or F/S

### The Story:

Visted today 3rd Sept and didnt quite get what I was looking for and that was the soap suds with two women but the double bubble is actually two women in the jaccuzi but that was probably a misunderstanding and I really should have clarified things at the start - never assume.

The whole experiance was very relaxing the girls very friendly and chatty, I will say this the pictures on the website are a terrible reflection on the quality of the girls here as they are very sexy and beautiful and it really doesnt come accross that way.

I would certainly visit again but also be a bit more forceful to ensure that even though I may have finished I may want to use the rest of my time enjoying the ladies in other ways (I am not a clock watcher but?) and I would certainly ensure that I make clear my request from the onset.

I am sure they will score higher next time :)
