The Premises:

Old hotel converted to flats, reasonably clean, modern. Very close to subway used by football crowd, not too discreet. Communal CCTV I assume operated by landlord on entry to lobby.

The Lady:

Advertised on another website as Hot Selana, a busty eastern European Brunette, I assume she is Polish. After about 3 phone calls to arrange appointment, including one outside to find out flat number I was greeted by a small blonde lady. I was told Selena was busy, but I could wait for her for about half an hour. I was offered punt by the blonde I assume the lady I wanted to see was busy or not even there.

The Story:

Not the lady that was advertised. I paid for a quicky, but it all seemed to be over a bit too quickly. Left the room about 3 times before and kept answering phone. A hurried blowjob that wasn't very good, followed by doggy. Not the girl I expected to see and all a bit rushed. Also no light in room and had heater on, hot and humid outside! No foreplay or friendly chat. I have had quick appointments before that were much better than this, she only seemed to grant me about 5 mins of her time and seem distracted. I don't know if "Selena" even works at the address, as it's not uncommon to advertise with nice pictures of a very sexy lady, only to have somebody else open the door to say "she's busy" or "on holiday".
